- ☒ Activities to be undertaken by the PHA in the coming year are consistent with specific initiatives contained in the Consolidated Plan. (list such initiatives below)

The Imboden Housing Authority administers 40 units of public housing. As a small authority, it lacks the means to pursue a wide range of programs. Its public housing program, however, clearly meshes well with the Arkansas Consolidated Plan Five-Year Goals. The state's goals for housing are to rehabilitate existing housing, and to support rental assistance programs. Through its Capital Fund Program for ongoing modernization, and through its well run public housing program, the Imboden Housing Authority furthers these state goals.

In addition, the most recent Arkansas Consolidated Plan for years 2000-2005 indicates that the two greatest needs it has identified are the need for rental housing for large and small households of families with low and extremely low incomes. This is exactly the population that the Imboden Housing Authority serves through its public housing program. The Consolidated Plan also shows that 33.59% of the Lawrence County population has this need.

- ☐ Other: (list below)

3. PHA Requests for support from the Consolidated Plan Agency

- ☐ Yes ☒ No: Does the PHA request financial or other support from the State or local government agency in order to meet the needs of its public housing residents or inventory? If yes, please list the 5 most important requests below:

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

C. Criteria for Substantial Deviation and Significant Amendments

The Imboden Housing Authority included its definition of these requirements in its FY 2000 Annual Plan submission as item D. under component 18, “Other Information.”

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

B. Significant Amendment or Modification to the Annual Plan:

**Required Attachment C:
Table for 5-Year Action Plan for Capital Fund**

The following plan follows instructions in HUD Notice PIH 99-51, especially section III E., defining "large capital items" as those that account for ten percent (10%) of a PHA's annual grant or that are over \$1 million. That notice adds that PHA are not required to report items less than \$25,000 in their 5-Year Action Plans regardless of the amount of their annual grant.

The Imboden Housing Authority has followed these guidelines. Its annual grant estimated amount is \$71,363. Because of this relatively small dollar amount, we have no planned "large capital items" that exceed the \$25,000 reporting threshold indicated in PIH 99-51. We have not listed planned work items because they do not meet the PIH 99-51 clarified threshold.

Optional 5-Year Action Plan Tables			
Development Number	Development Name (or indicate PHA wide)	Number Vacant Units	% Vacancies in Development
AR057- 001 & 002			
Description of Needed Physical Improvements or Management Improvements		Estimated Cost	Planned Start Date (HA Fiscal Year)
Replace furnaces (37 units)		37,000	2002
Repair sidewalks		20,000	2002
Replace showers and tubs (30 units)		54,000	2003
Landscaping		5,000	2003
Because of the small \$71,363 estimated annual Capital Fund Program amount to be received annually by the Imboden Housing Authority, we anticipate that for FFYs 2004 and 2005, no single work item will exceed the \$25,000 threshold set out in HUD Notice PIH 99-51 to define "large capital items" needed to appear in the 5-Year CFP Plan for Modernization.			2004-2005
Total estimated cost over next 5 years		\$116,000

Attachment F: Comments by the Resident Advisory Board
 On the FY 2001 Annual Plan

A meeting of the Imboden Housing Authority's Resident Advisory Board was held on March 9, 2001. The RAB convened at 11:00 A.M. at the Autumn Inn.

Resident comments:

1. There is a need for central heat and air conditioning in the two and three bedroom units.
2. The IHA should use imaging to discover where heat is escaping from units.
3. The IHA needs more lighting, especially in the alley between Circle Drive and Main Street and 510 Circle Drive.
4. There is a need for landscaping (dirt) between 416 And 418 Main in the alley (Fire Lane).

Housing Authority Response:

The Imboden Housing Authority has a limited amount of funding available under its Capital Fund Program. It is unable to meet all resident demands promptly.

The IHA has recorded these comments, and will address them in future plan years as funding becomes available.
